SOP of Payment ₹

- **Payment-Related Concerns**
  - **ONLINE PAYMENT**
    - **Payment Done, Not Reflecting**
      - Step 1: Check TAT (Turnaround Time)
        - If TAT breached
          - Proceed to Step 2.
            - Step 2: Check in SAP (zFpay_real)

              If reflecting → Close ticket (NR in ZIPO).

              If not reflecting → Ask for:

              Payment screenshot

              Bank statement
        - If within TAT
          - Inform customer to wait.
    - **Amount Deducted But Not Updated After TAT**
      - Validate via SAP AB
        - If reflecting
          - Inform customer.
        - If not reflecting
          - Raise issue with backend team.
  - **OFFLINE PAYMENT (Kiosk)**
    - **Payment Done, Not Reflecting**
      - Step 1: Check TAT

        Step 2: Validate Kiosk Transaction Log

        Step 3: Review Customer Receipt

        Step 4: Check Bank Transaction
        - If still not reflecting
          - Raise M53 order with full details.
    - **Partial Payment via Kiosk**
      - Step 1: Validate both paid and unpaid amounts

        Step 2: Reconcile machine log and SAP records

        Step 3: Raise request with back office for mismatch resolution.
